

## Newport Beach Fire Department Community Emergency Response Team (CERT)- Fall 2013 Program Schedule

The Newport Beach Fire Department invites residents to join the Community Emergency Response Team (CERT) program to learn how to help their neighborhoods following unexpected disasters. The CERT program is available free of charge to Newport Beach residents and \$40 for non-residents.

For fall 2013, there will be three separate CERT program series held: a Tuesday-Thursday evening program, a Thursday day program and an all-day Saturday program. Participants must register to attend one program but may take classes from the other programs if they miss classes during their registered program. All classes are held at Newport Beach Fire Station #7 (20401 Acacia). To register, you must complete a CERT program application. Applications are available at: [www.nbcert.org](http://www.nbcert.org) or call (949) 644-3112.
